WORK EXPERIENCE

GYB (Grow Your Business)   Dec. 2024 – Feb. 2025
Web Design Intern   *Remote*

- GYB focuses on helping business owners by providing automation solutions and creating high-quality websites.
- Managed and designed company website using GoHighLevel, optimizing for functionality, SEO, and user-friendly layouts.
- Developed creative assets and visuals with Canva, ensuring consistency with design strategies and branding guidelines
- Collaborated with cross-functional teams to deliver high-quality projects on time, ensuring client satisfaction and project success.
- Applied design principles and leveraged AI tools to enhance user experience and interactivity.
- Maintained a Python-based Discord bot to automate communication and enhance business operations.
  - **Stack:** HTML; CSS; Python; GoHighLevel (CRM, CMS); Canva; OpenAI

TELUS Digital   Dec. 2023 – Dec. 2024
AI and Web Analyst   *Remote*

- TELUS Digital focuses on delivering digital solutions and services that enhance customer experience, websites, and AI systems.
- Analyzed and provided detailed feedback to ensure quality standards across various digital assets, including websites, landing pages, text, images, and AI-based content, focusing on improving usability and UX.
- Used online tools to evaluate AI performance, identifying areas for improvement, and ensuring alignment with expected standards.
- Worked independently in a fully remote role, effectively managing time and task prioritization to meet deadlines and produce high-quality assessments.

Metropolitan Community College   Sept. 2022 – Dec. 2022
Web Developer Intern   *Omaha, NE*

- Metropolitan Community College offers a wide range of educational programs aimed at providing education and career training to a diverse student population.
- Enhanced the user experience of the college website using HTML and CSS, focusing on responsive design.
- Worked with minimal oversight and met established deadlines.
  - **Stack:** HTML; CSS; SQL; Kentico CMS
